

How to Upload Team Official Roster for an Event in GotSport

Your team's official roster has either a STYSA or USClub logo. It is also signed at the bottom by either the club or the league registrar.

All teams are required to upload this document before the tournament check-in deadline. This is required so that the tournament director can verify that all players playing the tournament are valid and insured to play.

These steps will help you complete this task

1. Log into your GotSport.com Account
2. From your Dashboard click on "Team Management"
3. Select Your "Team"
4. Click on the "Team Registration" Tab
5. Find the event "Tournament Name" and click on the Event Title.
